If you don't turn them on, you may not spoil, or use the SOFTWARE, and you must give up any kind of vials from you or a part of THIRD on your body from any other and all the inner memory where there are problems or problems. If used in this agreement, the term "Xerox" refers to Xerox Corporation, its operating companies, subsidiaries and affiliates. If you are installing the software on behalf of the end user it is necessary to agree that you are acting as a customer agent of the end user before proceeding. As an agent for the end user, you agree that you have: 1) read and accept the terms of this Agreement as authorized by the end user, or 2) made the end user aware of license terms and the end user explicitly accepted them. 1. LICENSE GRANT. a. Xerox grants you a non-exclusive and non-transferable license to use the Software on the Xerox-brand equipment ("Equipment") on which it was delivered or, if delivered separately, on a single element of you have no other rights to the Software and you cannot: (1) distribute, copy, modify, create Software derivatives, decompile or reverse engineering; (2) activate the Software delivered in an inactive state; or (3) allow others to engage in oneself. You can make archive or backup copies of the Software, provided that each copy contains all copyrights and other proprietary communications contained in the original Software and such copies and is only used for backup purposes. Title a, and all intellectual property rights in, Software will reside exclusively with Xerox and/or its licensors who will be considered third-party beneficiaries of this Agreement with enforcement rights. b. The software may include or incorporate the software provided by Microsoft Corporation ("Microsoft Software"). In addition to all other terms and conditions of this Agreement, the following applies to the installation and use of Microsoft Software. It is not possible: (i) sell, rent, loan, sublicense, or use Microsoft software for commercial software hosting services; (ii) publish benchmark results for Microsoft software; (iii) work around any technical limitation in Microsoft software; or (iv) separate components of Microsoft software and install them on different pieces of equipment. 2. The third part has had fun. The software may include the code developed by one or more third parties ("Third Party Software"). Some third parties Software can be subject to other terms and conditions that can be found in an openSoftware disclosure package that is provided with the Software or available for download with product documentation. Despite the terms and conditions of this Agreement, the Third-Party Software is licensed to you subject to the terms and conditions of the software license agreement identified in the disclosure of open source software. If the third-party software license agreement includes terms and conditions that provide for source code availability (such as the GNU General Public License,) disclosure of open source software or support on which the software can be delivered will contain the source code or provide instructions where a copy of that source code can be obtained. 3. DISCLAIMER OF GARANTEE. a. You have reconsidered and accepted that the SOFTWARE is "as it is", without wanting any thought for XEROX or ITS LICENSORS. XEROX and LICENSORIES EXPLOSELY all WARRANTIES, EXPRESSIDES or IMPLISI, CREATI DA STATUTE OR ALTREWISE, INCLUDING, ALL REPRESENTATIVES AND REPRESENTATIVES TO OTHER XEROX, INCLUDED, BUT NOT LIMITED TO, YOUR PROVIDE of SERVICES, DISTRIBUTORS, DIALERS, And other XEROX departments, they're still missing. The GARANTEE DISCLAMS SET FOR TERRA MAI NOT APPLISHED IN CERTAIN JURISDICTIONS, IN KEY CASE WARRANTI QUIUNDER will be the MINIME REQUISTA DA LAW. b. The software may contain, or be modified to contain, the computer code that can automatically disable the correct operation or operation of the Software and/or the system on which it is installed. This disabling code may be activated (a) if Xerox is denied access to the Software and/or the system as provided here, (b) otherwise violate any term of this Agreement, or (c) such license is terminated or expired. 4. INDEMNIFICATION. Xerox will pay any agreement agreed by Xerox or any final judgment for, any claim that Software violates a third party's patent or copyright, provided that Xerox is immediately informed in writing of any alleged violation, allow Xerox to direct the defense, and fully cooperate with Xerox. Xerox is not responsible for any non-Xerox litigation expenses or settlements unless Xerox accepts them in writing. To avoid the infringement, even if not presumably, Xerox may, at its choice, and at no cost to you, or get a license, provide a replacement for the Software or remove or request that you remove the Software. Xerox's obligations in this section are further conditioned by you immediately by removing and transferring the use of the Software in case Xerox requires you to remove the Software and/or provide replacement will not be responsible for any liability related to infringements outside the scope of this section, including, without limitation, violation based on the Software that is modified to your specifications or because of the Software used in combination with equipment, software or supplies not provided by Xerox. 5. LIABILITY LIMITATION Despite the damages that may occur, the entire liability of Xerox and its licensors under this Agreement and your exclusive remedy will be limited to the greater amount actually paid by you for the Software or US \$10.00. 6. TERMINATION. Xerox may terminate the license for the Software (i) immediately if you no longer use it or own the equipment with which the Software was supplied or are a minor of the equipment with which the Software was supplied and the first lessee nouse or own it, (ii) at the termination of any agreement according to which you have rented or rented the equipment with which the software was supplied, or (iii) immediately in case of violation by you. if finished as provided above, you will return to kserox all copies of the software and remove the same from all the equipment in which such software may have been uploaded by you. 7. the software is provided with limited rights. You agree to meet all the requirements necessary to ensure that the federal government honors such rights. disclosure, disclosure or reproduction of the software and accompanying documentation are subject to restrictions established in the clause of commercial rights computer restricted to the Federal Acquisition Regulation 52.227-19, when applicable, or in the Federal Acquisition Regulation of the Defence Department supplement 252.227-7013. 8. severabilit . if a provision of this Agreement is deemed invalid by any law, rule, order or regulation of any government, or by the final determination of any state or federal court, such invalidity shall not affect the applicability of other provisions not held to be invalid. in the event that a provision referred to in this Article is declared by the competent authority to be invalid, illegal or unenforceable under any applicable law, to the extent permitted by applicable law, any invalid, illegal or unenforceable provision shall be deemed legitimately amended to comply with the intent of the parties. 9. There's no time. any delays or omissionspart to exercise any right or remedy under this Agreement shall not be interpreted as a waiver of such right or remedy or any other right or remedy. All rights of each party under this Agreement shall be cumulative and may be exercised separately or at the same time. 10. ROVERNING LAW. This Agreement shall be interpreted in accordance with the laws of the State of New York, without regard to its choice of laws, and disputes shall be judged or otherwise decided in the forums for which they are located in the State of New York. The United Nations Convention on International Sale of Goods does not apply to this Agreement. The local law may require that certain laws of your country of residence apply to certain sections of this Agreement, including but not limited, which require this Agreement to be governed by the laws of your country of residence. 11. EXPORT. You declare and warrant that (i) You are not in a country subject to an embargo of the United States Government, or that it is in Title 15, part 740 Supplement 1 Country Group E of the US Federal Regulations Code; and (iii) You are not listed in any list of the United States Government of prohibited or restricted parties. You may not use, export, re-export, import, sell, release or transfer the Software unless authorized by US law, the laws of jurisdiction in which you have obtained the Software, and all other applicable laws and regulations. 12. AGREEMENTS This Agreement constitutes the whole of thebetween the parties in relation to the subject, and replaces all agreements, understandings, negotiations and discussions, both oral and written, between the parties. No modification or modification of this Agreement shall be binding unless it is written and signed by a duly authorized representative of each party. 13. REMOVAL SERVICES Some Equipment models are supported and served using the data collected automatically by Xerox or transmitted to or from Xerox by Equipment connected to the Customer Network ("Remote Data") by electronic transmission to a secure location outside the site ("Remote Data Access"). Remote access to data also allows Xerox to transmit to customer communications for software and to remotely diagnose and modify equipment to repair and correct malfunctions. Remote data examples include product registration, meter reading, supply level, configuration and equipment settings, software version, and problem/fault code data. Remote data can be used by Xerox for billing, reporting generation, supply, support services, recommending additional products and services, and product improvement/development purposes. The Remote Data will be transmitted to the Customer securely specified by Xerox. Remote access to data will not allow Xerox to read, view or download the content of any customer document or other information that resides or passes through the management of equipment or customer informationThe customer grants the right to Xerox, at no cost, to conduct remote access for the purposes described above. At the request of Xerox, the Customer will provide contact information for equipment such as the Customer's name and contact address and IP and physical/local addresses of Equipment. The customer will allow remote access to data via a method prescribed by Xerox, and the customer will provide reasonable assistance to allow Xerox to provide remote access to data. Unless Xerox considers it unable to access remote data, the customer will ensure that remote access is maintained at any time in terms of maintenance or service. 14. DRIVER CULLETTTER. For the driver software installed on a computer device, you agree that the Software may collect technical data and information about the type of computing device and operating system; the location (country and city) of the calculation device; volume, frequency and mode of use of the software and its features. Xerox may use this information and statistical data, trends and information on the use of this information and the use of the Software for the purposes of development, exercise, maintenance and/or improvement of its products and services or the provision of products or services to the user. The Software does not collect any information that personally identifies users of the Software or allows Xerox to read, view or download the content of any document processed by the Software. 15. That's scary. The software used to evaluate or maintain Xerox equipment ("diagnostic software") can be embedded in, reside, or can be loaded on Xerox equipment. Diagnostic software and access method to it constitute valuable commercial secrets of Xerox. The title to diagnostic software must remain at any time exclusively with Xerox and/or its licensees. You agree that (a) the acquisition of the equipment does not grant you a license or the right to use the Diagnostic Software in any way, and (b) that, unless it is granted separately by Xerox to do so, will not access, use, reproduce, distribute or disclose diagnostic software for any purpose (or allow third parties to do so). You agree at any time to allow Xerox to access, monitor and otherwise take steps to prevent unauthorized use or diagnostic software reproduction and remove or disable diagnostic software.
